

Micklands Primary School

Sport Premium Expenditure 2024-25

Total Amount Allocated 2024-25: £19,070.00

Total spend of PE and Sports Premium: £19,011.34

Total school spending on Continuous Professional Development: £6470

	Amount	Activity	Intent	Impact
External Coaches	£4700	KickOff	To support staff confidence and competence with teaching the PE curriculum.	Coaches have supported with the delivery of PE sessions. This has helped staff to develop their confidence with teaching a wide range of games. Coaches were able to model a new scheme and support staff into adapting this for their classes. We also were able to run a group for pupils with SEND and their adults to support them in whole class PE sessions.
External Coaches	£1170	Apollo Gymnastics	To support staff confidence and competence with teaching the PE curriculum (Dance and Gymnastics).	Coaches have supported with the delivery of PE sessions. This has helped to support staff to develop their confidence in teaching dance and gymnastics in PE lessons. Coaches were able to demonstrate skills and key vocabulary for staff to continue in their next units.

Total school spending on Internal Activities: £11,841.34

	Amount	Activity	Intent	Impact
Equipment and resources	£10,461.35	PE equipment	To further enhance the impact on the quality, variety, and inclusivity of physical education and sport within the school.	The new sports equipment has enabled teachers to provide high quality lessons. This year it has been spent on lesson equipment, sensory equipment and a new outdoor gym. This will allow all pupils to keep active during break and lunch times.
Use of educational platforms and resources	£1380	The PE hub	To have a positive impact on the planning, delivery, and assessment of PE across the school.	This scheme has provided quality, structured lesson plans and videos that have supported teachers to deliver more consistent, engaging, and progressive PE lessons. A PE survey taken at the beginning and the end of the year has also shown a positive impact on teacher confidence.

Total school spending on external activities: £700

	Amount	Activity	Intent	Impact
Inter-school sports competitions	£700	Competing with local schools in: Cricket, Basketball, Cross Country and Tag Rugby + transportation to these events.	To provide opportunities for children to undertake competitive sport with other local schools.	This has given pupils the opportunity to showcase their skills and perform as part of a team. It has taught pupils about resilience, teamwork and the importance of having great sportsmanship. The pupils have been able to celebrate their success as well as their losses. It has also given the pupils the chance to represent their school and to be proud of everything they have achieved.
